

On a scale of 1 to 9, where 9 is very good and very relevant, how do you rate each of these project?

From the options listed, please choose 3 options

Next Steps

- Officer Task Group to consider how your choice of projects can best be achieved / developed into feasible projects, including consideration of alternative and/or additional funding
- At the next Forum meeting the task group will feed back on the options for taking your choice of projects forward – enabling the forum to recommend which projects should be taken forward for real
- Harbourough Together will be asked to endorse the recommendation by the forum so that funding can be released
